

Rehabilitation Nurse Coordinators Network Southern California

Nursing Program Memorial Scholarships 2009 Academic Year

- **\$1,500.00 Undergraduate Nursing Student**
- **\$2,000.00 Graduate RN Student**

On behalf of RNCN San Diego, and in memory of outstanding past members of our organizations, the above scholarships are being offered to qualified nursing student applicants. The ideal registered nurse candidate would be pursuing an advanced nursing degree with demonstrated interest in any area of rehabilitation. Other discipline areas may be focused towards practice / clinic settings specializing in physical rehabilitation, chronic disease, catastrophic injury, etc. The candidate must also exhibit financial need, personal commitment, demonstrated professional skill, compassion, academic strength, perseverance and judgment for scholarship consideration.
